

HLB STATINTL
I had [redacted] discuss
this with OLC. Her
pertinent comments are
on the attached yellow
routing sheet.

I suggest you phone
Bill Calley and make
the three points to him.

Assuming he will
be satisfied, I can then
return this to OLC for
retyping and forwarding
to the Director.

Remarks:					
Per your request, the attached was discussed with [REDACTED] (OLC), who makes the following points:					
1. He has no problem with Mr. Colby's editing of the letter.					
2. We are not being "deferential" in the sense that Mr. Colby seems to imply--rather, we are avoiding having the Agency take a position, unnecessarily, which would probably be contrary to the CSC, which would normally speak for the Administration.					
3. The equal treatment desired for CIA will be given, whether or not the bill is approved.

Mr. Colby
JMM:

Bill - here's our thought -

1. Re note, there is an explanation.
2. Unless there is a showing to the contrary, it appears that when we adopt a provision of law from another retirement system, we also adopt the underlying concept. Since we do not have strong independent feelings on this proposal, it seemed to make sense to defer to the views of the executive agency which should and does have the biggest policy stake in it (the CSC).

Attached for the Director's signature is a reply to a request from Chairman Hebert, House Armed Services Committee, for views on legislation which would grant double retirement credit to POW's or MIA's for time spent in that status.

The Civil Service Commission probably will oppose the measure on the basis of precedent. DOD and State are taking the line that the legislation should be held up pending return of all POW's and MIA's.

The reply has been coordinated with the DDS and General Counsel. If the Director indicates his approval by signing the letter, a copy will be sent to OMB for clearance before it is sent to Chairman Hebert.
